When you visit our mobile application, and use our services, you trust us with your personal information. We take your privacy very seriously. In this privacy notice, we seek to explain to you in the clearest way possible what information we collect, how we use it and what rights you have in relation to it. We hope you take some time to read through it carefully, as it is important. If there are any terms in this privacy notice that you do not agree with, please discontinue use of our Apps and our services.

This privacy notice applies to all information collected through our mobile application, (“**Apps**”), and/or any related services, sales, marketing or events (we refer to them collectively in this privacy notice as the “**Services**”).

**Please read this privacy notice carefully as it will help you make informed decisions about sharing your personal information with us.**

***In Short:** Some information — such as IP address and/or browser and device characteristics — is collected automatically when you visit our Apps.*

We automatically collect certain information when you visit, use or navigate the Apps. This information is primarily needed to maintain the security and operation of our Apps, and for our internal analytics and reporting purposes.

If you use our Apps, we may also collect the following information:

- ***Mobile Device Data.** We may automatically collect device information (such as your mobile device ID, model and manufacturer), operating system, version information and IP address.*
- ***Push Notifications.** We may request to send you push notifications regarding your account or the mobile application. If you wish to opt-out from receiving these types of communications, you may turn them off in your device's settings.*

## 2. WILL YOUR INFORMATION BE SHARED WITH ANYONE?

*In Short: We only share information with your consent, to comply with laws, to provide you with services, to protect your rights, or to fulfill business obligations.*

We may process or share data based on the following legal basis:

- **Consent:** We may process your data if you have given us specific consent to use your personal information in a specific purpose.

- **Legal Obligations:** We may disclose your information where we are legally required to do so in order to comply with applicable law, governmental requests, a judicial proceeding, court order, or legal process, such as in response to a court order or a subpoena (including in response to public authorities to meet national security or law enforcement requirements).
- **Vital Interests:** We may disclose your information where we believe it is necessary to investigate, prevent, or take action regarding potential violations of our policies, suspected fraud, situations involving potential threats to the safety of any person and illegal activities, or as evidence in litigation in which we are involved.

More specifically, we may need to process your data or share your personal information in the following situations:

- **Vendors, Consultants and Other Third-Party Service Providers.** We may share your data with third party vendors, service providers, contractors or agents who perform services for us or on our behalf and require access to such information to do that work. Examples include: payment processing, data analysis, email delivery, hosting services, customer service and marketing efforts. We may allow selected third parties to use tracking technology on the Apps, which will enable them to collect data about how you interact with the Apps over time. This information may be used to, among other things, analyze and track data, determine the popularity of certain content and better understand online activity. Unless described in this Policy, we do not share, sell, rent or trade any of your information with third parties for their promotional purposes.
- **Business Transfers.** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

*In Short: We keep your information for as long as necessary to fulfill the purposes outlined in this privacy notice unless otherwise required by law.*

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting or other legal

requirements). No purpose in this policy will require us keeping your personal information for longer than 2 years

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize it, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

## **4. HOW DO WE KEEP YOUR INFORMATION SAFE?**

*In Short: We aim to protect your personal information through a system of organizational and technical security measures.*

We have implemented appropriate technical and organizational security measures designed to protect the security of any personal information we process. However, please also remember that we cannot guarantee that the internet itself is 100% secure. Although we will do our best to protect your personal information, transmission of personal information to and from our Apps is at your own risk. You should only access the services within a secure environment.

## **5. CONTROLS FOR DO-NOT-TRACK FEATURES**

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track (“DNT”) feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. No uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy notice.
